AR Alimentare has launched a new product: the Pizza Meal. This product, with a weight is either 160 g or 180 g and available in all major toppings goes to complement the range of products AR Alimentare currently offers.

In fact the selection of second service snacks offered by AR Alimentare, ranged from a minimum of 100 g to a maximum of 140 g. As of today this range has been increased by the 160 g and 180 g options.
